

Social Media Content Planning

Prepared By: Fatima Hassan

Brand: BLC Graphics

*Industry: Graphic Design,
Copywriting & Video
Editing*

INTRODUCTION

Social media is one of the most effective tools for building brand awareness, attracting clients, and establishing authority in today's digital world.

This content plan is designed for BLC Graphics, a creative brand that provides Graphic

Design, Copywriting, and Video Editing services.

The goal of this strategy is to increase visibility, build trust with potential clients, showcase expertise, and generate business inquiries through consistent and valuable content.

1. Target Audience

The primary target audience for BLC Graphics includes:

Small Business Owners:

Businesses that need professional branding, flyers, social media graphics, and promotional materials.

Startups

New businesses looking to establish a strong visual identity and online presence.

Entrepreneurs

Individuals promoting products or services who require marketing

materials and content support.

Personal Brands

Coaches, consultants, influencers, and professionals seeking to build authority online.

Freelancers

Individuals who need portfolios, personal branding assets, and content creation support.

2. Audience Pain Points

The target audience commonly faces the following challenges:

Poor brand visibility

Low social media engagement

Unprofessional visual identity

Inconsistent branding

Difficulty attracting customers online

Lack of quality marketing materials

Limited knowledge of content marketing

BLC Graphics helps solve these challenges through creative design, persuasive copywriting, and engaging video content.

3. Content Goals

The social media strategy aims to:

Brand Awareness

Introduce BLC Graphics to new audiences.

Authority Building

Position BLC Graphics as a trusted creative brand.

Audience Engagement

Encourage interaction through valuable and relatable content.

Lead Generation

Convert followers into potential clients.

Portfolio Showcase

Display previous work and design expertise.

4. Content Pillars

Pillar 1: Educational Content

Purpose: Teach the audience useful design and marketing concepts.

Examples:

Branding tips

Design mistakes to avoid

Color psychology

Marketing strategies

Pillar 2: Portfolio Showcase

Purpose: Demonstrate skills and build trust.

Examples:

Logo designs

Flyer designs

Before-and-after redesigns

Video editing projects

Client projects

Pillar 3: Behind-The-Scenes Content

Purpose: Humanize the brand and create connection.

Examples:

Design process videos

Workspace setup

Project walkthroughs

Daily work routine

Pillar 4: Testimonials & Success Stories

Purpose: Build credibility and social proof.

Examples:

Client feedback

Project results

Case studies

Customer reviews

Pillar 5: Promotional Content

Purpose: Generate inquiries and sales.

Examples:

Service offers

Discounts

Free consultations

Call-to-action posts
